Perfect Match Matte Panels
for Thermoformed Cabinet Doors
egrdecor.com/collections/versilite

VersiLite Invest in Quality. Invest in Durability. Choose Versilite.

EGR Decor Versilite is the premium matte MDF panel designed to perfectly complement thermoformed cabinet doors.

Partnering with leading thermoform foil providers, EGR Decor delivers a premium ultra matte surface that combines beauty, durability and functionality for kitchens, bathrooms, closets and beyond.

Versilite panels are crafted from high quality MDF in 49" x 96" x 3/4" panel size. The panels are bonded with high performance PUR adhesive and are fully balanced in good two side configuration.

Suitable For:

- Kitchen Cabinets
- Bathroom Vanities
- Wardrobes & Closet Systems
- Laundry Cabinets
- Custom Built-ins
- Commercial Cabinetry & Shop Fit-outs
